Dear President Kaiser,

I would like to take this opportunity to reach out to you and the members of your lodge in order to compliment you all on the fantastic work you have been doing to support medical personnel and first responders during these unprecedented times, with a special thanks to yourself, Zone VP Mike Kutzma and Bobby Cotumaccio on the great work getting needed food essentials to our front line medical field hospital WTC.

I would also like to salute the retired NYPD Sgt's Association. The cooperation shown between these two great organizations is just what is needed to help our communities pull through this.

On behalf of your fellow FOP members, I salute you.

Keep up the amazing work but most importantly stay safe and stay healthy.

Fraternally,

Michael Essig
President
